**IMRF Unfunded Actuarial Accrued Liability**

General Manager Spatz noted that a board member at the prior month's meeting asked about the Commission's unfunded pension liability. General Manager Spatz then stated that although the pension is nearly 100% funded on a market basis, there is still an unfunded liability. Therefore, he met with a representative from IMRF again to discuss any benefits to reducing the Commission's unfunded liability. The representative discussed the pros and cons, which included a reduction to the percentage charged to the Commission related to interest expense on the liability in future years. A discussion regarding whether to pay the unfunded portion and if so over what time period. The decision was made to have Commission staff bring forward a request to be voted on at the next meeting to pay down in full the unfunded liability in December 2015.

Commission Furstenau left the meeting at 5:54 P.M.

**Subsequent Customers**

General Manager Spatz stated that of the four subsequent customers, two customers are moving forward to make additional principal payments in December. The other two have chosen not to make any accelerated payments in 2015. General Manager Spatz

and Robin Jones of Gorski and Good, LLP also discussed with the committee the customer agreements, the Water Act of 1985, and other topics related to water sales and purchases within the county.

General Manager Spatz left the meeting at 6:07 P.M.

### **Property and Liability Insurance**

Chairman Zay moved to recommend purchasing the property and liability insurance coverage as proposed by Marsh USA. Seconded by Commissioner Gans.

### **Approval of Reconciliations**

Commissioner/Treasurer Pruyn stated that he had reviewed and approved the journal entries and bank reconciliations for the month of September 2015. It was noted that the new Treasurer, Bill Fates, was approved by the County Board in October and came in with Commissioner/Treasurer Pruyn to review September's activity.

### **Treasurer's Report – September 2015**

Commissioner/Treasurer Pruyn reviewed the written summary of the September Treasurer's Report. Cash and Investments were \$114.0M. Over the past five months the Commission's cash and investments increased a total of \$14.5 million.

Market yield on the portfolio was at 85 basis points, a slight increase from the prior month. The portfolio was showing unrealized gains of \$414,419 compared to unrealized gains at the prior year end of approximately \$215,000.

Commissioner/Treasurer Pruyn detailed the \$14.5M increase year-to-date on the Statement of Cash Flows. He stated that all targeted reserve levels were met or exceeded targets. He concluded noting that there was \$7.2 million of debt outstanding at September 30, 2015.

### **Financial Statements – September 2015**

Financial Administrator Peterson provided the Committee with a summary of the September Financial Statements. She noted that for the first five months of the fiscal year, revenues exceeded expenses ahead of budgeted seasonal expectations, even as water sales were below budget by nearly 4%. An offset to the water sales being down is that water purchases were approximately 5% below budgeted seasonal expectations.

Sales Tax collections were higher than prior year revenue amounts by approximately 5% in September. Cumulatively Sales Tax collections as of September 30, 2015, were approximately \$359,000 over the prior year.

Financial Administrator Peterson discussed balances and activity within the cash and investment accounts compared to targets and liabilities.

Financial Administrator Peterson noted that cash balances were up compared to prior year by nearly \$29M. Receivables were slightly higher compared to prior year due to higher water sales. Debt has declined by \$20M compared to prior year balances at September 30<sup>th</sup>.

### **Accounts Payable**

## MEMORANDUM

TO: John Spatz, General Manager  
FROM: Cheryl Peterson, Financial Administrator *CAP*  
DATE: November 10, 2015  
SUBJECT: Financial Report – October 31, 2015

- Water sales to Commission customers for October 2015 were 129.5 million gallons (6.3%) higher than October 2014, but decreased by 152.3 million gallons compared to September 2015. Year-to-date water sales were up by 93.7 million gallons or 0.7% compared to the prior fiscal year.
- Water sales to Commission customers for October were 117.1 million gallons (5.7%) higher than the budgeted anticipated/forecasted sales for the month. Year-to-date water sales were 336.0 million gallons (2.3%) below the budgeted anticipated/forecasted sales.
- October sales tax collections (July) were \$3.2 million which is 5.5% more than the same period last fiscal year. Cumulatively, sales tax collections were approximately \$526,000 (3.0%) more than prior year. Adjusted for seasonality, sales tax collections were about \$1.1 million over budgeted collections through October 2015.
- For the month of October, water billings to customers for O&M costs were \$10.6 million and water purchases from the City of Chicago was \$8.6 million. Water billing receivables at October month end (\$13.0 million) decreased compared to the prior month (\$15.5 million) primarily due to lower water sales in the current month and timing of collections.
- The Commission is six months or 50% into the fiscal year. As of October 31, 2015, \$87.6 million of the \$160.8 million revenue budget has been realized. Therefore, 55% of the revenue budget has been accounted for year to date. For the same period, \$64.3 million of the \$123.3 million expenditure budget has been realized, and this accounts for 52% of the expenditure budget.
- Adjusted for seasonality based on a monthly trend, year to date revenues are 100% percent of the current budget and expenses are 95% of the current budget.
- The Operating Reserve, Capital Reserve and Long Term Water Capital Accounts had reached their respective 2015/2016 fiscal year end targeted levels. The O&M, General Account and the Sales Tax Subaccount have balances of \$19.9 million, \$13.0 million and \$2.1 million, respectively.
- Debt Balances declined by approximately \$0.9 million to \$6.3 million outstanding in the current month.
