TREASURER REPORT

Treasurer Ellsworth presented the December 2012 Treasurer's Report, consisting of six pages.

Treasurer Ellsworth pointed out the \$67.2MM of cash and investments on page 1, noting that the balance was lower from the previous month due to the debt payment in the amount of \$12MM to West Suburban Bank. The balance in the Illinois Funds Money Market decreased \$12.3MM which was also due to the debt payment and U.S. Treasury and Agency Investments increased by \$1.2MM. Treasurer Ellsworth noted that the Finance Committee had discussed revising the Treasurer's Report to include the amortized cost of investments. Treasurer Ellsworth also pointed out the schedule of investments on pages 2, 3, and 4 totaling \$64.1MM which decreased \$10.4MM from the prior month and the market yield on the total portfolio showed 34 basis points which was a slight increase from the prior month. On page 5, the statement of cash flows showed

a decrease in cash and investments by \$10.1MM since April 30, 2012 and operating activities reduced cash by about \$511,000. The sales tax receipts showed an increase in cash of \$21.8MM. Debt service payments totaled \$30.6MM with capital assets decreasing cash slightly under \$1MM. Treasurer Ellsworth concluded his report by noting the monthly cash/operating report showed that the Commission had met or exceeded all of its reserve requirements reflected on page 6.

COMMITTEE REPORTS

Finance Committee - Reported by Commissioner Suess

Commissioner Suess reported that the Finance Committee reviewed and recommended for approval all action items listed on the Finance Committee Agenda. After Commissioner Suess gave a brief summary of each item, he welcomed any questions.

With regards to item number 4 Resolution No. R-5-13 Pledge Agreement, General Manager Spatz explained that General Counsel Gorski had requested a couple minor changes and if approved would be in substantial form.

Commissioner Suess moved to adopt item numbers 2 through 4 under the Finance Committee section of the Agenda in a single group pursuant to the Omnibus Vote Procedures subject to modifications suggested by General Counsel Gorski and approved by staff. Item 3: Resolution No. R-4-13: A Resolution Amending the Investment Policy of the

DuPage Water Commission - "Finance Omnibus Vote"

Item 4: Resolution No, R-5-13: A Resolution Amending and Implementing Cash

Management Services- "Finance Omnibus Vote"

Commissioner Suess concluded his report by noting that the refinancing of the current bond deal with BMO Harris Bank was moving along and would be completed in the first week in February and lastly, that the Finance Committee recommended electing another one month interest period under the Northern Trust Certificate of Debt.

Commissioner Furstenau inquired as to whether the refinancing with BMO Harris Bank was held at a 1.05% all in rate. General Manager Spatz explained that the interest rate stayed the same at a rate of .98%. The Bank costs were originally set to be spread over a four year period. The Commission had reduced the term to a three year period so the same Bank costs, when spread over a shorter three year period, caused the 1.05% to increase slightly.

Administration Committee – Reported by Commissioner Crawford

Commissioner Crawford reported that the Administration Committee reviewed all items listed on the Administration Committee Agenda, specifically DuPage County's amended ethics ordinance with no issue. Commissioner Crawford stated that it was her understanding that since the Commission, last year, adopted the County's ethics ordinance that any further changes/amendments made by the County would automatically be accepted and adopted by the Commission.

General Manager Spatz added that he and General Counsel Gorski had reviewed the County's revisions and found that they were done to provide for more clarity and structure throughout the document.

Lastly General Manager Spatz referred to the Ethics Training and stated that he would keep the Board informed once the training date(s) become available.

Engineering & Construction Committee – Reported by Commissioner Loftus

Commissioner Loftus reported that the Engineering & Construction Committee reviewed and recommended for approval the action items listed on the Engineering & Construction Committee Agenda and gave a brief summary of all items.

With regards to the Enterprise Asset Management System Annual Software Maintenance Fee, Commissioner Loftus pointed out that approval would require suspending the purchasing procedures as Infor Global Solutions was a sole source supplier for the Commission's leased software. Commissioner Loftus then offered to answer any questions.

With no further discussion, <u>Commissioner Loftus moved to suspend the purchasing procedures of the Commission's By-Laws and to adopt item numbers 2 and 3 under the Engineering & Construction Committee section of the Agenda in a single group pursuant to the Omnibus Vote Procedures.</u> Seconded by Commissioner Furstenau and unanimously approved by a Roll Call Vote.

If any prospective bidder is in doubt as to the true meaning of any part of the Contract Documents, bidder may submit to the Commission a written request for an interpretation thereof at least ten (10) calendar days before the scheduled opening of bids. The person submitting the request will be responsible for its prompt delivery.

Any interpretation of the Contract Documents will be made only by Addendum duly issued or delivered by the Commission to each person receiving a set of the Contract Documents.

All Addenda issued prior to the opening of bids shall become a part of the Contract Documents.

Those questions not resolved by an Addendum shall not be considered valid questions.

(b) <u>Informal Responses</u>. The Commission will not give oral answers to any inquiries regarding the meaning of the Contract Documents or oral instructions prior to the award of the Contract nor any indication as to the validity of any inquiry. Any oral

statement regarding same by any persons, prior to the award, shall not be binding, shall be deemed to be unauthorized and given informally for the information and convenience of bidder, shall not be guaranteed and shall not be relied upon by any bidder. Bidder hereby agrees that such information shall not be used as a basis of, nor shall the giving of any such information entitle bidder to assert, any claim or demand against the Commission, its officers, employees, agents, attorneys or engineers on account thereof.

3. **Prevailing Wages**

In accordance with "An Act Regulating Wages of Laborers, Mechanics, and Other Workers Employed in any Public Works by the State, County, City or any Public Body or any Political Subdivision or by any one Under Contract for Public Works," 820 ILCS 130/1 et seq., not less than the prevailing rate of wages for similar work in the locality in which the Work is to be performed shall be paid to all laborers. A copy of the Commission's "Ordinance Ascertaining the Prevailing Rate of Wages in DuPage County and Cook County," in effect as of the date of the Invitation for Bids, is attached to the Contract Documents as an Appendix. If the Illinois Department of Labor revises the prevailing rate of hourly wages to be paid, the revised rate shall apply to the Contract.

4. Taxes

The Commission is exempt from state and local sales and use taxes and certain federal excise taxes. A letter of exemption will be provided to any bidder to whom a Contract is awarded, if necessary. The Commission will not reimburse nor assist any successful bidder in obtaining reimbursement for any state or local sales, use or excise taxes paid by that successful bidder. Successful bidders shall be required to reimburse the Commission for any such taxes paid, all as is more specifically provided in the General Conditions.

All rates and fees stated in proposals shall include any other applicable taxes.

5. **Preparation of Bidder's Proposal**

A bid on the Work shall be made only on the blank proposal form furnished by the Commission and included in the Contract Documents. Entries on the bidder's proposal form shall be typed or legibly written in ink. Bid prices are to be written by words and/or by figures as provided on the blank proposal form included in the Contract Documents, and in case of any conflict, words will prevail. In case of any error in adding or multiplying individual items, the prices listed for individual items shall control over any incorrect total of such items. A proposal may be rejected if it does not contain a requested price for each and every item named in the proposal or may be interpreted as bidding "no charge" to the Commission for any item left blank.

Bidders are warned against making alterations of any kind, and proposals that contain omissions, conditions, alterations, or additions not called for may be rejected or interpreted so as to be most favorable to the Commission.

Proposals that are not submitted on the proposal form included in the Contract Documents or that are separated from the Contract Documents may be rejected.

The bidder shall staple, or otherwise bind into the Contract Documents submitted, a copy of each Addendum issued for the Contract Documents during the bidding period and include on the proposal a listing of such Addenda where required. Proposals that fail to comply with this Instruction may be rejected.

All bidders submitting a proposal shall be conclusively deemed to have evidenced an intention to be bound thereby whether or not the requirements for signing proposals found in Section 6 of these Instructions are complied with. However, proposals that fail to comply with Section 6 of these Instructions may nevertheless be rejected as provided for therein.

If a deficiently prepared proposal is not rejected, the Commission may demand correction of any deficiency and award a Contract to the bidder upon satisfactory compliance with this Instruction.

6. Requirements for Signing Proposals

The following requirements must be observed in the signing of proposals:

- (a) <u>Individuals</u>. Proposals that are signed for an Individual shall be signed by such individual or signed by an attorney-in-fact. If signed by an attorney-in-fact, there shall be attached to the proposal a power of attorney evidencing authority to sign the proposal, executed by such individual.
- (b) Partnerships. Proposals that are signed for a Partnership shall have the correct Partnership name thereof, State of registration, address of its principal place of business, and shall be signed by all of the General Partners or by an attorney-in-fact. If signed by an attorney-in-fact, there shall be attached to the proposal a power of attorney evidencing authority to sign the proposal, executed by all of the General Partners.
- (c) <u>Corporations</u>. Proposals that are signed for a Corporation shall have the correct corporate name thereof, State of incorporation, address of its principal place of business, and the signature of the President or other authorized officer of the Corporation, manually written below the corporate name following the word "By:

 ______." A certified copy of a resolution of the Board of Directors evidencing the authority of the official signing the proposal to sign the proposal shall be attached to it. The proposal shall also bear the attesting signature of the Secretary or Assistant Secretary of the Corporation.

(d) <u>Joint Ventures</u>. Proposals that are signed for a Joint Venture shall have the correct joint venture name thereof, address of its principal place of business and date of joint venture agreement and shall be signed by each signatory of the joint venture agreement in accordance with the applicable provisions of (a), (b) and (c) above.

Proposals that fail to comply with this Instruction may be rejected, or, if not rejected, the Commission may demand correction thereof and award a Contract to the bidder upon satisfactory compliance with this Instruction.

7. Bid Security

- (a) <u>Deficiencies</u>. Proposals may be rejected unless accompanied by a Bid Bond, Cashier's Check or Certified Check as set forth in the Invitation for Bids, as a guaranty that (i) if bidder is determined to be one of the "most favorable bidders" (see Section 13(b) below), bidder will submit all additional information requested by the Commission, and (ii) if the bid is accepted, bidder will timely execute the Contract Agreement. If a proposal with deficient bid security is not rejected, the Commission may demand correction of any deficiency and award a Contract to bidder upon satisfactory compliance with this Instruction.
- (b) Return of Bid Securities. Bid securities submitted in the form of Cashier's Checks or Certified Checks will be returned to all except the "most favorable bidders" within five (5) workdays after the opening of bids, and to the "most favorable bidders" within five (5) workdays after execution of a Contract Agreement by the Commission for all Contracts awarded. Bid Bonds will not be returned unless otherwise requested by the bidder.
- (c) <u>Liquidated Damages</u>. If a "most favorable bidder" fails to timely submit all additional information requested by the Commission, or if a successful bidder fails to timely execute the Contract Agreement, it will be difficult and impracticable to ascertain and determine the amount of damage that the Commission will sustain by reason of such failure. For such reason, it is agreed that, at the Commission's option, bidder shall pay to the Commission, as liquidated damages and not as a penalty, the entire amount of the bid security in full settlement of all damages, or the Commission shall be entitled to exercise any and all equitable remedies it may have against the defaulting bidder for specific performance. Bidder, by submitting a proposal, specifically agrees to this provision.

8. Surety and Insurance Commitments

Proposals may be rejected unless accompanied by:

(i) A letter from a surety company, licensed to do business in the State of Illinois with a general rating of A minus and a financial size category of Class X or better in Best's Insurance Guide, stating that it will execute bonds in the form included with the Contract Documents upon award of the Contract to the bidder.

(ii) A letter from the bidder's insurance representative certifying that said insurer has read the insurance requirements set forth in the Contract Documents and will issue the required policies at the time requested upon award of the Contract to the bidder.

If a proposal deficient in required surety and insurance commitments is not rejected, the Commission may demand correction of any deficiency and award a Contract to the bidder upon satisfactory compliance with this Instruction.

9. Filing of Proposal

One copy of each proposal, properly signed, together with the bid security, surety and insurance commitment letters and all other documents required to be bound thereto, shall be enclosed in a sealed envelope or package addressed and delivered to the office designated in the Invitation for Bids. Sealed envelopes or packages containing proposals shall be identified as such and shall be marked with the title of the Contract and the bidder's full legal name. Any documents designated in the proposal form, including any Addenda officially issued by the Commission, will be considered part of the proposal whether attached or not. The proposal shall not be removed from these bound documents.

10. Withdrawal of Proposal

Any proposal may be withdrawn at any time prior to the opening of bids, provided that a request in writing, executed by the bidder in the manner specified in Section 6 of these Instructions, for the withdrawal of such bid is filed with the Commission prior to the opening of bids. The withdrawal of a bid prior to bid opening will not prejudice the right of the bidder to file a new proposal. No proposal may be withdrawn without the consent of the Commission for a period of sixty (60) calendar days after the opening of bids. Any proposal may be withdrawn at any time following the expiration of the sixty (60) calendar day period set forth above, provided that a request in writing, executed by the bidder in the manner specified in Section 6 of these Instructions, for the withdrawal of such bid is filed with the Commission after the sixtieth day following bid opening. If no such request is filed, the bid acceptance date shall be deemed extended until such a request is filed or the Commission executes all Contracts awarded hereunder.

11. Public Opening of Proposals

Proposals will be opened and the prices bid will be read aloud publicly at the time and place indicated in the Invitation for Bids or as soon thereafter as possible. Bidders or their agents are invited to be present.

12. Confidentiality

The Commission shall not disclose, outside the bidding process, at any time, either during or subsequent to the bidding process, nor permit any of its employees, agents or representatives to so disclose, any information, knowledge or data of bidder that the Commission receives or obtains during the bidding process relating to business,

commercial or financial information or other confidential or proprietary matters of bidder, unless such disclosure will not cause competitive harm, or such confidential information was actually known to the Commission, its employees, agents or representatives prior to submission of any proposal, or was properly obtained or evolved independently therefrom, or bidder consents to such disclosure. Bidder shall identify any information submitted in the bidding process that is considered by it to be confidential or proprietary. Notwithstanding the foregoing, bidder, by its submission of a proposal, acknowledges that the Commission is subject to the Illinois Freedom of Information Act 5 ILCS 140/1 et seq., and that no disclosure made in good faith by the Commission pursuant to such Act shall be deemed to violate this paragraph.

13. Qualification of Bidders

- (a) <u>Factors</u>. Price shall not be the dominant factor in making any awards but, rather, it is the intention of the Commission to award one or more Contracts to bidders who furnish satisfactory evidence that they understand the scope of the Work under this Contract and that they have the requisite experience, ability, capital, facilities, plant, organization and staffing to enable them to commence the Work within the minimum response time set forth in the Contract Documents and to perform the Work successfully and promptly.
- (b) Most Favorable Bidders. A preliminary determination as to eligibility of up to three bidders (herein referred to as "the most favorable bidder(s)") who shall be eligible for further consideration shall be made on the basis of the dollar amount of the bids, the Commission's prior experience with the bidders, the Commission's knowledge of the bidders' performance on other relevant projects, and all other relevant facts or matters mentioned in the Contract Documents or that the Commission may legally consider in making its determination. The making of such a preliminary determination shall not waive the Commission's right to reject any and all bids nor waive such other rights as are set forth in Section 15 of these Instructions.
- (c) <u>Final Determination</u>. The final determination of the successful bidders among the most favorable bidders shall be made on the basis of the above-mentioned facts and matters and any additional information that may be required of all or any one or more of the most favorable bidders. In the event the Commission requests additional information, the responding bidder must provide the requested information within two (2) workdays after receipt of any such request or within such longer period as the Commission may specify in its request. Failure to so answer shall be grounds for the imposition of liquidated damages at the Commission's option, all as is more specifically set forth in Section 7 above.

14. Disqualification of Bidders

(a) <u>More Than One Proposal</u>. More than one proposal for the Work described in these Contract Documents from an individual, firm or partnership, a corporation or an association under the same or different names, may not be considered. Reasonable grounds for believing that any bidder is interested in more than one proposal for the

Work contemplated may cause the rejection of all proposals in which such bidder is interested.

- (b) <u>Collusion</u>. If there are reasonable grounds for believing that collusion exists among the bidders, the proposals of the participants in such collusion will not be considered.
- (c) <u>Default</u>. If a bidder is or has been in default on a contract with the Commission or in the payment of monies due the Commission, its proposal will not be considered.
- (d) <u>Deficiencies</u>. The Commission expressly reserves the right in its sole and absolute discretion to disqualify bidders if:
 - (i) the proposal does not contain a price for each pay item requested,
 - (ii) the proposal form is other than that furnished by the Commission or if the form is altered or any part thereof detached,
 - (iii) there are omissions, alterations, unauthorized additions, conditional or alternate bids, or irregularities of any kind that may tend to make the proposal incomplete, indefinite or ambiguous as to its meaning, including, but not limited to, conditional surety and insurance commitment letters and unsigned or improperly signed proposals,
 - (iv) the bidder adds any provisions reserving the right to accept or reject an award or to enter into a contract pursuant to award, or
 - (v) if the proposal is prepared with other than ink or typewriter.

If the deficient bidder is not disqualified, the Commission may demand correction of any deficiency and award a Contract to the bidder upon satisfactory compliance with these General Instructions to Bidders.

15. Award of Contract

(a) Reservation of Rights. The Commission reserves the right to accept any proposal that is, in its judgment, the best bid(s) and most favorable to the interests of the Commission and to the public; to reject the low bid; to accept more than one bid; to reject any and all bids; to accept and incorporate corrections, clarifications or modifications following bid opening when to do so would not, in the Commission's opinion, prejudice the bidding process or create any improper advantage to any bidder; and to waive irregularities and informalities in any proposal submitted or in the bidding process; provided, however, that the waiver of any prior defect or informality shall not be considered a waiver of any future or similar defects or informalities and bidders should not rely upon, or anticipate, such waivers in submitting their proposals. Proposals received after the specified time of opening will be returned unopened.

- (b) Offers. All bids are offers only and no bids shall be deemed rejected, notwithstanding acceptance of any bid, until a Contract Agreement has been executed by the Commission and any and all successful bidders.
- (c) <u>Time of Award</u>. It is expected that the award of the Contract, if it be awarded, will be made within sixty (60) calendar days following the opening of bids. Should administrative difficulties be encountered after bid opening, including the annulment of any award, that may delay an award or subsequent award beyond the sixty (60) day period, the Commission may accept any bid for which the bid acceptance date has been extended as provided in Section 10 of these Instructions in order to avoid the need for readvertisement. No bidder shall be under any obligation to extend the period. Failure of one or more of the bidders or their sureties to extend the period shall not prejudice the right of the Commission to accept any bid for which the period has been extended.

16. Effective Date of Award

If one or more Contracts are awarded by the Commission, an award shall be effective when a Notice of Award in the form included in the Contract Documents has been issued to the applicable successful bidder. The Notice of Award shall set forth the Closing Date, by which date all conditions precedent to execution of the Contract Agreement as defined in Section 18(b) below shall be completed, unless extended as provided below. Five copies of the Contract Documents will be prepared by the Commission and submitted with the Notice of Award.

17. Penalty for Collusion

If at any time it shall be found that any person, firm or corporation to whom a Contract has been awarded has, in presenting any bid or bids, collided with any other party or parties, then the successful bidder and its sureties shall be liable to the Commission for all loss or damage that the Commission may suffer thereby, and any Contract so awarded shall, at the Commission's option, be null and void.

18. Closing

- (a) <u>Closing Date</u>. The successful bidder(s) shall satisfactorily complete all conditions precedent to Closing within fourteen (14) calendar days following the effective date of award or within such extended period as the Commission may, in the exercise of its sole discretion, authorize, either before or after issuance of the Notice of Award. <u>See</u> Section 16 above. The "Closing Date" shall be the date set forth in the Notice of Award, or such extended date as the Commission may, in the exercise of its sole discretion, authorize thereafter.
- (b) <u>Conditions Precedent to Closing</u>. The successful bidder(s) shall date all copies of the Contract Agreement as of the Closing Date set forth in the Notice of Award and shall duly execute them in accordance with the provisions of Section 6 above. The successful bidder(s) shall insert five executed copies of the Power(s) of Attorney or authorizing resolution(s), if any.

Failure to timely file the executed Contract Agreement, the authorizing resolution(s), or the Power(s) of Attorney shall be grounds for the imposition of liquidated damages as more specifically set forth in Section 7 above. If the submitted Contract Agreement fails to comply with the Contract Documents or is not timely filed, the Commission may, in its sole discretion, annul the award or allow the successful bidder an opportunity to correct the deficiencies. In no event will the Commission execute the Contract Agreement until any and all such deficiencies have been cured or the Commission has received adequate assurances of complete and prompt performance as determined by the Commission.

(c) <u>Closing</u>. At the Closing, and provided that all documents required to be filed prior to the Closing have been reviewed and determined by the Commission to be in compliance with the Contract Documents or adequate assurances of complete and prompt performance have been received, the Commission shall execute all copies of Contract Agreement, retain three copies of the completed Contract Documents, and tender two copies to the successful bidder(s) at the Closing. Any successful bidder or its agent are invited to be present at the Closing.

19. Failure to Close

- (a) <u>Annulment of Award</u>. Failure of a successful bidder to comply with the conditions precedent to Closing shall be just cause for the annulment of the award.
- (b) <u>Subsequent Awards</u>. Upon annulment of an award, the Commission may then award a Contract to any other bidder as the Commission, in its judgment, deems to be in its best interest, advertise anew for bids, or forego obtaining a replacement.

20. Time of Starting and Completion

- (a) <u>Commencement</u>. Work shall generally be required to be commenced within twenty-four (24) hours following issuance of any Work Authorization Order by the Commission. Longer or shorter response times may be required depending upon the urgency with which the Work is desired to be performed. The successful bidder or bidders shall not dispute or complain of any minimum response times set forth in any Work Authorization Order nor shall any minimum response times set forth in any Work Authorization Order constitute the basis of a claim for damages or entitle the successful bidder or bidders to any compensation or damages therefore, other than as reflected in the rates and fees bid.
- (b) <u>Completion</u>. Work shall be diligently and continuously prosecuted to completion. With respect to Work Authorization Orders with a minimum response time of three (3) hours or less, the Work ordered shall be deemed to be "Priority Work" requiring Work to be prosecuted twenty-four hours per day until completion and entitling the successful bidder to the additional compensation set forth in Paragraph D, entitled "For Priority Work," of the Bidder's Proposal.
- (c) <u>Coordination and Delays</u>. Bidders are directed to the fact that the Work to be done under this proposal is only a part of constructing and maintaining a water

supply system from the City of Chicago to the Commission's Charter Customers and others located throughout DuPage County, that contracts have been or will be let for other portions of the Commission's Waterworks System, and that the successful operation of the Commission's Waterworks System is dependent upon the completion of the Work under this proposal being coordinated with the work to be done by others. It is essential that all parties interested in the Commission's Waterworks System cooperate, but the Commission cannot guarantee that no interference or delay will be caused by reason of work being performed by others. Prospective bidders may examine at the office of the Commission available specifications, drawings and data regarding materials and equipment to be furnished and work to be performed under separate contracts awarded by the Commission. Interference and delay shall not be the basis of claims against the Commission.

21. Non-Discrimination

The successful bidder(s) shall comply with the provisions of the Illinois Human Rights Act, as amended, 775 ILCS 5/1-101 et seq., and the provisions of 775 ILCS 10/1 et seq. as though they were inscribed upon the face of the Contract Documents and such provisions are by this reference incorporated herein and made a part hereof.

SECTION	Majority or Special Majority Vote	DEPARTMENT	
ITEM	A Resolution Suspending Purchasing Procedures and Approving Requisition 15002 for the purchase of information technology hardware from Sikich, LLP. Resolution No. R-7-13	APPROVAL (BAP JL

Account Number: 01-60-7703.01 and 01-60-7703.02

Resolution No. R-7-13 would suspend purchasing procedures and approve requisition 15002 in the amount of \$123,230 thereby authorizing staff to purchase information technology hardware from Sikich, LLP as listed.

Suspension of purchasing procedures for this purchase is in the best interests of the Commission and will save more than \$27,000 compared to the competitively bid State of Illinois contract prices. This is due to Sikich's participation in the Hewlett-Packard (HP) reseller Special Pricing program. As per HP documentation, "Special Pricing means an additional discount or rebate or a net reseller buy price below HP's usual Net Reseller Price offered to [a] Reseller for a specific End-user transaction and identified in a HP Confirmation." HP Special Pricing is available to only one reseller for a specific time and project. For this project staff attempted to solicit prices from other vendors who were not competitive or declined to bid because of the HP Special Pricing for Sikich. Staff also confirmed with the HP government sector sales rep Sikich's approval for Special Pricing.

The hardware listed in requisition 15002 would be used in the conversion of the Commission's existing local area network into a virtualized storage area network (SAN). This will involve installation of two identical high capacity servers and eight SAN data storage devices divided between the pumping station and generator building to create a virtual server cluster with centralized storage. The goal is to increase network reliability and capacity with data mirrored in two locations and high availability redundant servers with automatic failover capability using VMware virtual server and SAN management software.

MOTION: To approve Resolution No. R-7-13.

DUPAGE WATER COMMISSION RESOLUTION NO. R-7-13

A RESOLUTION SUSPENDING PURCHASING PROCEDURES AND APPROVING REQUISITION 15002

WHEREAS, the DuPage Water Commission received a price quotation from Sikich LLP, dated as of January 17, 2013, in the amount of \$123,230 for various information technology hardware as requested by Commission staff; and

WHEREAS, Sikich LLP, an authorized reseller of Hewlett-Packard equipment, requested and received approval for Special Pricing from Hewlett-Packard for a specific purpose of the DuPage Water Commission resulting in a Net Reseller buy price below Hewlett-Packard's usual Net Reseller Price and below the Net Reseller Price offered to other authorized Hewlett-Packard resellers; and

WHEREAS, the net hardware price provided by Sikich will result in a savings to the DuPage Water Commission of more than \$27,000.00 compared to the competitively bid State of Illinois contract prices and prices available from other authorized Hewlett-Packard resellers; and

WHEREAS, the Board of Commissioners of the DuPage Water Commission believes it is in the best interest of the Commission to suspend purchasing procedures and accept the price quotation offered by Sikich LLP to supply various information technology hardware as requested by Commission staff;

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the DuPage Water Commission as follows:

<u>SECTION ONE</u>: The foregoing recitals are incorporated herein and made a part hereof as findings of the Board of Commissioners of the DuPage Water Commission as if fully set forth.

SECTION TWO: The price quotation of Sikich LLP, dated as of January 17, 2013, for various information technology hardware as requested by Commission staff shall be and it hereby is approved and accepted by the Board of Commissioners of the DuPage Water Commission and the requisition 15002 in the amount of \$123,230 necessary to effect purchase of said hardware is hereby approved without further act.

DuPage Water Commission MEMORANDUM

TO: John Spatz, General Manager

FROM: Frank Frelka, GIS Coordinator

DATE: January 25, 2013

SUBJECT: Suspension of purchasing procedures and approval of requisition 15002

I would like to submit for the Board's consideration at the February 21 meeting a request to suspend purchasing procedures for the purchase of information technology (IT) hardware from Sikich, LLP and to approve requisition 15002 for the purchase. The hardware is for the storage area network (SAN) conversion and server virtualization project. Suspension of purchasing procedures will result in savings to the Commission compared to the competitively bid State of Illinois contract and other vendor prices. This is due to Sikich's participation in the Hewlett-Packard (HP) Special Pricing program, which is an incentive offered to HP resellers as explained below.

We are planning several IT improvements this fiscal year and have budgeted accordingly. The largest project involves conversion of the local area network (LAN) into a storage area network with automated failover and high availability redundant virtual servers. Other projects, with costs not part of this request, include server and database system software upgrades, firewall and security device re-configuration, remote access improvements and enhancements to the backup and disaster recovery capability.

To accomplish the proposed work we worked with the technology division of Sikich, LLP, the Commission's auditing firm, to plan and identify hardware and software. With this completed, we were prepared to place an order with HP for the substantial amount of hardware needed under the current HP/State of Illinois contract that extends pricing to other units of government. Sikich then presented us with pricing for the same items that was more than \$27,000 less than the State contract prices. Most of this savings, \$26,600, is for the SAN devices with minor savings for other items.

The Sikich project manager explained to us that, as an HP reseller, they requested and received approval for Special Pricing because of the "transformational" nature of the SAN/server project. We were initially skeptical of this claim. However, the HP website explains, "Special Pricing" is "an additional discount or rebate or a net reseller buy price below HP's usual Net Reseller Price offered to Reseller for a specific End-user transaction and identified in a HP Confirmation." We also learned that with this program no other resellers are eligible for the reduced prices for a set time. We confirmed this with the HP government sales representative. Also, one potential vendor, Insight Public Sector Sales, declined to submit a bid for this project because HP approved Sikich for special pricing. Insight said they "would not be close on cost…"

Should the Board approve this request we are prepared to place the order with Sikich on Friday, February 22. I anticipate, pending receipt of all parts and software, implementation can begin mid-March and project completion in early April, thereby leaving time to complete other work before the fiscal year end.
