

### **DuPage Water Commission**

600 E. Butterfield Road, Elmhurst, IL 60126-4642 (630)834-0100 Fax: (630)834-0120

# AGENDA ENGINEERING & CONSTRUCTION COMMITTEE THURSDAY, APRIL 21, 2011 6:30 P.M.

#### COMMITTEE MEMBERS

D. Loftus, Chair R. Furstenau F. Saverino M. Scheck

#### 600 EAST BUTTERFIELD ROAD ELMHURST, IL 60126

- I. Roll Call
- II. Approval of Committee Meeting Minutes of March 17, 2011

RECOMMENDED MOTION: To approve the Minutes of the March 17, 2011 Engineering & Construction Committee Meeting of the DuPage Water Commission.

- III. Report of Status of Construction/Operations
- IV. Resolution No. R-17-11: A Resolution Approving and Ratifying Certain Task Orders Under a Master Contract with EN Engineering, LLC at the April 21, 2011, DuPage Water Commission Meeting
- V. Resolution No. R-18-11: A Resolution Approving and Authorizing the Execution of a Contract between the DuPage Water Commission and Primera Engineers, Ltd. for Professional Engineering Services
- VI. Resolution R-19-11: A Resolution Awarding a Contract for High Lift Pump Motor Re-Build—Phase II
- VII. Resolution No. R-20-11: A Resolution Approving a First Amendment to Task Order No. 28 Under the Master Contract with AECOM USA, Inc.
- VIII. Resolution No. R-21-11: A Resolution Approving and Ratifying Certain Work Authorization Orders Under Quick Response Contract QR-8/08 at the April 21, 2011, DuPage Water Commission Meeting
- IX. Resolution No. R-23-11: A Resolution Approving and Ratifying Certain Contract PSD-7/08 Change Orders at the April 21, 2011, DuPage Water Commission Meeting
- X. Great Western Trail Improvements
- XI. Other
- XII. Adjournment

H:\Board\Agendas\Engineering\2011\04.docx

All visitors must present a valid drivers license or other government-issued photo identification, sign in at the reception area and wear a visitor badge while at the DuPage Pumping Station.

#### MINUTES OF A MEETING OF THE ENGINEERING & CONSTRUCTION COMMITTEE OF THE DUPAGE WATER COMMISSION HELD ON THURSDAY, MARCH 17, 2011 600 EAST BUTTERFIELD ROAD ELMHURST. ILLINOIS

The meeting was called to order at 6:34 P.M.

Committee members in attendance: D. Loftus, R. Furstenau, F. Saverino, M. Scheck and J. Zay ex officio.

Committee members absent: None

Also in attendance: R. C. Bostick, F. Frelka, E. Kazmierczak, and J. Schori.

Commissioner Furstenau moved to approve the Minutes of the February 10, 2011 Engineering Committee. Motion seconded by Commissioner Scheck and passed unanimously as follows:

Aye:

D. Loftus, R. Furstenau, F. Saverino and M. Scheck

Nay:

None

Commissioner Furstenau moved to recommend to the Commission approval of Resolution No. R-13-11: A Resolution Awarding a Contract for Landscape Conversion Services at the March 17, 2011, DuPage Water Commission Meeting. Motion seconded by Commissioner Saverino. The motion passed unanimously as follows:

Aye:

D. Loftus, R. Furstenau, F. Saverino and M. Scheck

Nay:

None

Commissioner Furstenau moved to recommend to the Commission approval Request For Board Action regarding the Reduction in Retainage from 10% to 2% of the Contract PSC-4/08 Contract Price at the March 17, 2011, DuPage Water Commission Meeting. Motion seconded by Commissioner Scheck. The motion passed unanimously as follows:

Ave:

D. Loftus, R. Furstenau, F. Saverino and M. Scheck

Nay:

None

#### **Great Western Trail:**

Staff provided an oral report on the history of the request by an engineering firm representing the Village of Lombard, Bollinger, Lach and Associates (BL&A), to place a pedestrian bridge on the Great Western Trail over St Charles Road and the

#### Engineering Meeting Minutes March 17, 2011

Union pacific Railroad, adjacent to the Commission's Northwest Transmission Main. Pipeline Supervisor Kazmierczak provided copies of engineering reports and maps tendered by the Commission's consultant which state the maximum design loading of the Commission's water main would be exceeded by either one of the BL&A design options presented to date. Pipeline Supervisor Kazmierczak indicated that while it has been determined that the pedestrian bridge design dates back to 2002, the Commission was first made aware of the project in November of 2010. Commission Staff is working diligently with Lombard's consultant to review possible solutions.

Commissioner Saverino moved to recommend to the Commission approval of Resolution No. R-14-11: A Resolution Approving, Ratifying, and Accepting a New Pricing Schedule to the Electricity Sales Agreement with Exelon Energy Company and Resolution No. R-15-11: A Resolution Approving and Authorizing the Execution of a New Master Electricity Sales Agreement and Pricing Schedule with Exelon Energy Company at the March 17, 2011, DuPage Water Commission Meeting. Motion seconded by Commissioner Saverino. The motion passed unanimously as follows:

Aye:

D. Loftus, R. Furstenau, F. Saverino and M. Scheck

Nay:

None

Commissioner Furstenau moved to adjourn the meeting at 6:59 P.M. Motion seconded by Commissioner Saverino and passed unanimously as follows:

Aye:

D. Loftus, R. Furstenau, F. Saverino and M. Scheck

Nay:

None

## DuPage Water Commission MEMORANDUM

TO:

John Spatz

General Manager

FROM:

Terry McGhee

Manager of Water Operations

Ed Kazmierczak

Pipeline Supervisor

Chris Bostick

**Facilities Construction Supervisor** 

John Schori

Instrumentation Supervisor

Frank Frelka

**GIS** Coordinator

Mike Weed

Operations Supervisor

DATE:

April 8, 2011

SUBJECT:

Status of Operations

#### **Operations Overview**

The Commission's sales for the month of March were a total of 2.09 billion gallons. This represents an average day demand of 67.6 million gallons per day (MGD), which is equal to the March 2010 average day demand of 67.6 MGD. The maximum day demand was 70.6 MGD on March 7, 2011, which is lower than the March 2010 maximum day demand of 71.3 MGD. The minimum day flow was 64.5 MGD. The Commission's recorded total precipitation for the month of March was 2.62 inches compared to 1.55 inches for March 2010. The level of Lake Michigan for March 2011 is 576.82 (Feet IGLD 1985) compared to 577.74 (Feet IGLD 1985) for March of 2010.

#### **Water Conservation**

The Commission has distributed 24 rain barrels to date and our customers are using them as displays for the public as well as promoting the sale of rain barrels to their residents. The Commission has also received 15 completed Utility Pledges and 12 status updates on the Utility Pledges.

The Water Conservation and Protection Program will be attending the following events in April:

<ul> <li>Earth Celebration Event a</li> </ul>	at DuPage County	
---	------------------	--

April 19

Earth Day for Argonne Employees

April 21

Party for the Planet at Cosley Zoo

April 30

The Commission is sponsoring a high school and college video contest on water conservation. Winning film(s) will be featured on dpwc.org and preservingeverydrop.org. Winner(s) will also receive a trophy and be eligible for prizes from participating partners. There were no videos submitted for this contest. Staff is looking into pushing back the submission date.

#### **Document Management**

Staff has started the process of moving documents into the new databases.

Work continues to complete the document inventory that will be sent to the Secretary of State for their destruction authorization.

#### Facilities Construction Overview

<u>Contract PSD-6 Reservoir Addition - Division A - Equipment Storage Building</u> and Material Storage

The Engineer has submitted final draft of record drawings which are currently under review by staff.

#### Contract PSD-7 DPPS Electrical Generation

Final finish applications are ongoing. Support systems commissioning is ongoing. Change Order No. 14 appears on the agenda as R-23-11. This includes a 150 calendar day time extension request. A table of change orders approved, pending or in development has been prepared for review. The project completion date remains December 31, 2010.

During the latter stages of construction and commissioning certain HVAC and Building Automation Control systems several items of concern have arisen relating to the design and/or construction. Staff would like to obtain the services of an independent third party to review the design documents, contractor submittals and other documentation to provide an evaluation of the newly constructed related facilities. This appears on the agenda as R-18-11.

#### Generator Supply Contract

Patten Industries is modifying the portable generator from a manual fuel system fill to an automatic fuel system fill. A table of change orders approved, pending or in development has been prepared for review.

## <u>Contract PSC-4 Lexington Pump Station Electrical Generation / Variable Frequency Drives</u>

All work is complete with the exception second season commissioning and training. Money is being held back to facilitate the completion of the work.

#### Contract PSC-5 Lexington Photovoltaic Cells

The photovoltaic system continues producing power for on-site consumption at the Lexington Pumping Station. All work is complete with the exception of displaying the PV System output on the DWC website. A table of change orders approved, pending or in development has been prepared for review. The project completion date remains October 21, 2010.

#### Laramie Avenue Viaduct

The Chicago Department of Transportation has completed the installation of the deep footings (H-Piles) for the viaduct. These footings are adjacent to the 12-foot diameter tunnel which is the source of water supply to the Lexington Pumping Station as well as a Commonwealth Edison electric feeder to the station. The 1<sup>st</sup> amendment to AECOM Task Order No. 28 appears on the agenda as R-18-11. This amendment covers the expenses to provide technical observation and reporting to the Commission while this work progressed.

#### Winfield Additional Connection - Contract MS-17/10

Electrical and instrumentation work is ongoing. The Contract Completion date remains November 20, 2010.

#### **DuPage County Service Areas**

We are performing preliminary work with DuPage County Public Works regarding the Steeple Run service area.

Engineering Request For Proposals are being developed for hydraulic modeling and joint connection facilities design and construction services.

#### Instrumentation / Remote Facilities Overview

#### Annual Customer Meter Calibration Program

The customer meter calibration program began on October 5<sup>th</sup>; as of this writing it is 91.2% complete. The program is expected to be completed by April 15<sup>th</sup>.

#### Remote Facilities Maintenance

The annual inspection and calibration at all Meter Stations continues.

Routine monthly inspections and maintenance is ongoing.

#### **New Meter Station for Winfield**

The Remote Terminal Unit (RTU) at MS27B is installed, waiting on the contractor to complete the antenna before communications can be established.

4

#### <u>GIS</u>

#### Infor EAM

GIS staff is researching costs and issues related to upgrading the Infor EAM system software from version 8.2 to the current 8.5. Because of the complexity of the Infor system architecture technical support from Infor will be needed to perform the upgrade and provide training on new software features.

#### GIS Software

In response to an inquiry by Chairman Zay at the March 17 Board meeting staff looked into the feasibility of sharing GIS software with DuPage County's GIS Department. The idea was to see if we could save money on software maintenance fees since both organizations use ArcGIS software from the Environmental Systems Research Institute (ESRI). After discussing this with the now-retired County GIS Manager Bill Faedtke it was determined that licensing and technical issues make this infeasible.

Some savings at the margins are possible and staff has taken action in this regard. For example, last year we stopped paying \$500 each for maintenance on one Spatial Analyst and one ArcView license after it was determined the software wasn't needed. Another example is the use of Google Earth on laptops with pipeline GIS data by utility locators in the field. By using the free Google Earth program instead of ESRI's ArcPad mobile software we provided the mapping tools needed and avoided the purchase cost and ongoing maintenance fees.

Lastly, after evaluating Manifold GIS software as an alternative to ArcGIS, staff intends to replace one ArcView license with one copy of Manifold and phase in its use. This will save an additional \$400 per year.

#### **Pipeline Construction Overview**

#### Contract QR-8 (Quick Response Contract)

Work Authorization Order #20. (Carol Stream repair) Remains open pending completion of topsoil and planting work scheduled for Spring 2011.

Work Authorization Order #24. (Elmhurst leak repair) Remains open pending completion of topsoil and planting work scheduled for Spring of 2011.

Work Authorization Order #25. (Downers Grove manhole repair and pavement failure) This work began on March 29. Manhole repairs have been completed and temporary pavement is in place. Related to this work is R-21-11 which appears on the Commission's April meeting agenda.

#### Pipeline Maintenance and Corrosion Mitigation

Work continues on project design and contract specifications for the Outer Belt Transmission Main Corrosion Mitigation Contract. (EN Engineering Task Order #13)

Work continues under EN Engineering Task Order No. 17. (Test Point Survey)

#### Contract QR-9 (Quick Response Contract)

Contract QR-9 replaces Contract QR-8 as of July 1, 2011 or, should it become necessary, upon any Board approved contract extension for Contract QR-8.

Bidding documents have been completed. The contract will be advertised beginning on April 18, 2011. A pre-bid meeting is scheduled for May 3 and the bid opening is set for May 17, 2011. It is expected that the contract will be awarded at the June 16, 2011 Commission meeting.

#### Other

A meeting to discuss design alternates for the conflicts resulting from the Great Western Trail Pedestrian Bridge improvements in Lombard was held on March 30. The latest design is currently under review by AECOM.

#### **APRIL 2011 COMMISSION AGENDA ITEMS:**

**R-16-11**---A Resolution Authorizing and Ratifying the Disposal of Certain Personal Property Owned by the DuPage Water Commission at the April 21, 2011, DuPage Water Commission Meeting.

- R-17-11---A Resolution Approving and Ratifying Certain Task Orders Under a Master Contract with EN Engineering, LLC at the April 21, 2011, DuPage Water Commission Meeting.
- R-18-11---A Resolution Approving and Authorizing the Execution of a Contract between the DuPage Water Commission and Primera Engineers, Ltd. for Professional Engineering Services at the April 21, 2011, DuPage Water Commission Meeting.
- R-19-11---A Resolution Awarding a Contract for High Lift Pump Motor Re-Build—Phase II at the April 21, 2011, DuPage Water Commission Meeting.
- R-20-11---A Resolution Approving a First Amendment to Task Order No. 28 Under the Master Contract with AECOM USA, Inc at the April 21, 2011, DuPage Water Commission Meeting.
- R-21-11---A Resolution Approving and Ratifying Certain Work Authorization Orders Under Quick Response Contract QR-8/08 at the April 21, 2011, DuPage Water Commission Meeting.
- R-22-11--- A Resolution Releasing Certain Executive Session Meeting Minutes at the April 21, 2011, DuPage Water Commission Meeting.
- R-23-11---A Resolution Approving and Ratifying Certain Contract PSD-7/08 Change Orders at the April 21, 2011, DuPage Water Commission Meeting.
