Minutes

Commissioner Janc moved to approve the Minutes of the Regular Committee Meeting of November 21, 2013 of the Finance Committee. Seconded by Chairman Zay and unanimously approved by a Voice Vote.

All voted aye. Motion carried.

Approval of Reconciliations

Treasurer Ellsworth stated that he had reviewed and approved the journal entries and bank reconciliations for the month of November.

Treasurer's Report – November 2013

Treasurer Ellsworth provided the Committee with a summary of the November Treasurer's Report. He noted on page 1 of the report that cash and investments increased from last month to \$71.0M.

Treasurer Ellsworth discussed the detailed investment schedules, individual account balances and market yield. He noted that the debt payment of \$7 million approved in November's meeting was made on December 2, 2013. Market yield on the portfolio remained stable at 48 basis points. He stated that the fair value of the investment portfolio is \$38,466 above amortized cost.

Treasurer Ellsworth noted that on the Statement of Cash Flows the year to date cash and investments has increased by \$6.1M. He stated that all targeted reserve levels were met or exceeded targets. Treasurer Ellsworth finally noted that outstanding debt now totals \$51.9M, a decline of \$1.1M from last month.

Financial Statements – November 2013

Financial Administrator Peterson provided the Committee with a summary of the November Financial Statements. She noted that water sales remained slightly ahead of seasonal budgeted expectations.

Sales Tax collections were approximately 8.9% higher than November 2012. Cumulatively Sales Tax collections were approximately \$1.1 million over the prior year.

Financial Administrator Peterson discussed balances and activity within the cash and investment accounts compared to targets and liabilities.

Financial Administrator Peterson noted that cash balances were down compared to prior year by \$6.4M. However, approximately \$7.1M was being held for principal and interest payments at November 30, 2012 compared to just over \$1M at November 30, 2013.

Investment Policy and Reserve Accounts

General Manager Spatz noted that the staff has informed PFM to adjust investment trends to better match the goals within one of the reserve accounts. In planning for the sun setting of the sales tax revenue, which currently funds the Commission's capital program, General Manager Spatz noted that he would be making a recommendation to the Finance Committee to establish a capital reserve account. However, this recommendation would not be made until after the debt certificates are fully repaid and a condition assessment of the Commission's assets has been completed. Commissioner Russo asked if this would be in addition to the long term capital reserve account and General Manager Spatz replied yes.

A general discussion was then had regarding the possible goals of the various reserve accounts and what the impact could be to the Commission's cash flows once sales tax revenues are no longer being received. The Committee agreed to review possible changes to the reserve policy later this fiscal year or early next fiscal year.

General Manager Spatz and Mr. McGhee left the meeting at 6:25 P.M.

Election of Interest Period under Northern Trust Certificate of Debt

Financial Administrator Peterson stated that the Libor rate for one month is just below 0.17%, similar to the prior month.

Commissioner Russo moved to recommend the election of a one-month Libor rate period with Northern Trust to the General Board. Seconded by Commissioner Janc and unanimously approved by a Voice Vote.

All voted aye. Motion carried.

Accounts Payable

Financial Administrator Peterson presented the Accounts Payable to the committee members. The numbers below were to be presented in the General Meeting.

DuPage Water Commission

MEMORANDUM

TO: John Spatz, General Manager
FROM: Cheryl Peterson, Financial Administrator *Cap*
DATE: January 8, 2013
SUBJECT: Financial Report – December 31, 2013

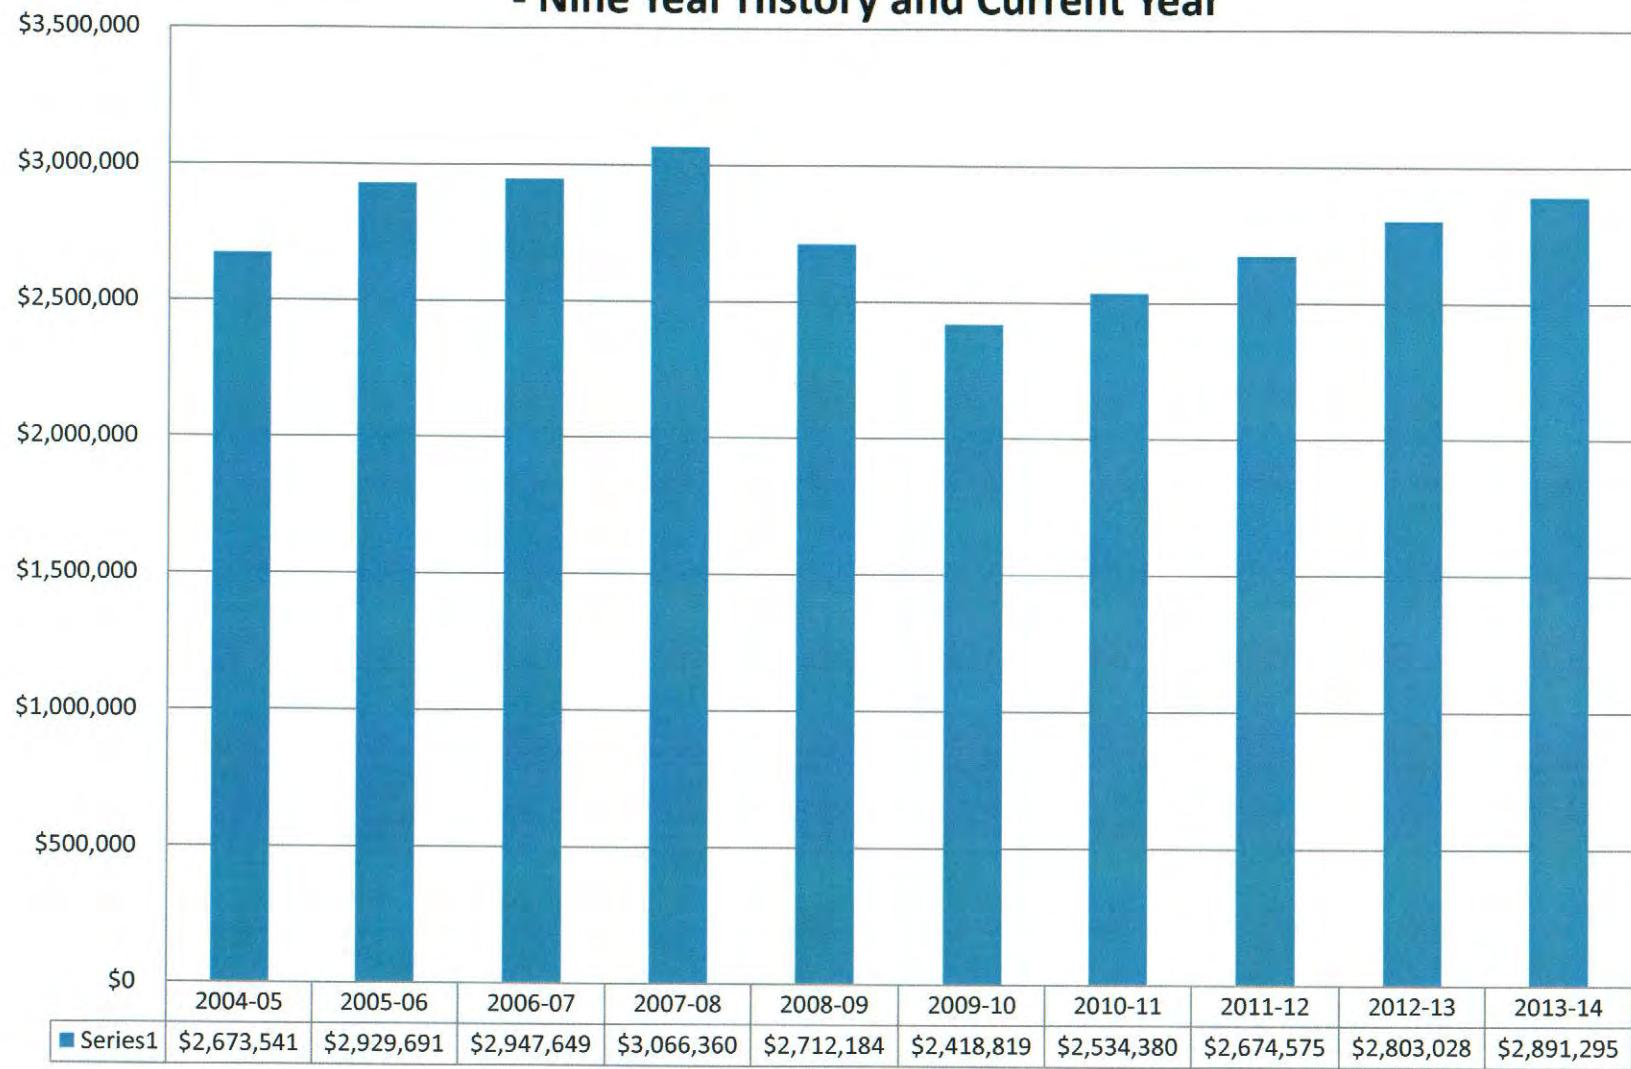

- Water sales to Commission customers for December were 70.8 million gallons (3.4%) more than December 2012, and up by 125.3 million gallons compared to November 2013. Year-to-date water sales have declined by 1,820.0 million gallons (8.6%) compared to the prior fiscal year.
- Water sales to Commission customers for December were 111.0 million gallons (5.5%) higher than the budgeted anticipated/forecasted sales for the month. Year-to-date water sales were 381.6 million gallons (2.0%) above the budgeted anticipated/forecasted sales.
- December sales tax collections (Sept) were \$2.9 million or 3.2% more than the same period last fiscal year. Cumulatively, sales tax collections are \$1.2 million (5.6%) more than prior year.
- Water billings to customers for O&M costs were \$7.0 million and water purchases from the City of Chicago was \$6.3 million. Water billing receivables at December month end (\$11.0 million) increased from the prior month (\$10.4 million) by \$0.6 million. This is mainly due to the increase in water usage month over month.
- The Commission is eight months or 66.7% into the fiscal year. As of December 31, 2013, \$92.9 million of the \$135.1 million revenue budget has been realized. Therefore, 68.8% of the revenue budget has been accounted for year to date. For the same period, \$69.2 million of the \$106.5 million expenditure budget has been realized, and this accounts for 65.0% of the expenditure budget.
- Adjusted for seasonality based on a monthly trend, year to date revenues are 103.5% percent of the current budget and expenses are 96.6% of the current budget. The Commission's year to date balances for revenues are slightly above budgeted amounts due mainly to increased water sales in August and September, as well as increased sales tax collections. Expenses are still below budget mainly due to the timing of expenses to be incurred.
- The Operating Reserve and Long Term Water Capital Accounts had reached their respective December 31, 2013 targeted levels. The O&M, General Account and the Sales Tax Subaccount have balances of \$9.1 million, \$9.2 million and \$9.2 million, respectively.
- Debt Balances declined by nearly \$8.2 million to \$43.7 million outstanding in the current month.
